- **Hello Farm**

To start our week, we will be looking at the various themes of the farm. Which animals live there? What can you harvest? Max the donkey accompanies us through the week and shows us his friends. With books, games and lots of activities in between, the children learn various important farm facts and in the afternoon we have a farm Olympics. Rubber boot throwing, sack races and apple fishing are on the agenda.

- **Farmtrail Lindau**

We drive to Effretikon and set off on an exciting hike where we read lots of stories and riddles about the farm from Henna Gluck. After the hike, we return to the GZ Bachwiesen. There the children can work at various craft and puzzle stations.

Thursday, 2. May 2024

- **Stations for all Senses**

The children can work at various stations, squeeze juice, make funny farm animals and watch the farm animals outside the GZ.

The children can use all their senses to do various fun activities and set free to their creativity, whether painting or combining vegetables and fruit while squeezing juice.

- **Day Trip**

Everyone meets at Zurich main station and goes to a beekeeper's clubhouse in Witikon. Together we can observe the bees, taste honey and take a look at the everyday life and work of a beekeeper.

Afterwards, we have a picnic in the nearby forest and can linger there for a while. The children can then use natural materials to make a bee and discuss what they have learned. At 17:30 we go back to the main station where all the children are picked up again.
